Vancouver BC Canada – Changster DJ drops the melodious and tremendous epic, the song known as “Prhyme Psychedelic Funk Remix” and is a remix of the Royce Da 5’9 and DJ Premier song “Prhyme”. Even as a standalone instrumental, the sound is cinematic and full, free, with a structure that seems to draw inspiration from reggae, psychedelic rock, and hip hop. It is a refreshing take on the art of hip hop music, focusing on the tradition of being original and not a biter, and expanding the art while remaining pleasurable for the melody and boom bap. Bridging the gaps with various styles, the mixture is a dynamite recipe of gumbo.
